I Have A Plan Iowa® PARENT GUIDE

Prepare Your Child for an Education & Career

www.IHaveAPlanIowa.gov

Provided by Iowa College Aid

I Have A Plan Iowa® can help your child...

- Explore careers as early as elementary school with Paws in Jobland®.
- Create meaningful course plans to achieve education and career goals.
- Discover skills, values and strengths through engaging assessments.
- Find education and career opportunities based on assessment results.
- Prepare for the ACT and SAT college admission exams through free, interactive test preparation.
- Research financial aid options
- Search for scholarships.
- Record work, volunteer and other activities.
- Build resumes and practice for job interviews.

Encourage your child to dream and help make that dream come true.

As a parent, you play an important role in helping your child plan and prepare for the future. It is important that you encourage your child to begin career planning as early as possible. I Have A Plan Iowa® allows your child to explore his or her interests, identify career goals and connect those goals to the education and training needed.

What is I Have A Plan Iowa®?

I Have A Plan Iowa® is a comprehensive, web-based planning tool that assists Iowans as they explore education and career options. Through I Have A Plan Iowa®, students can explore career possibilities, investigate education pathways, view college programs, prepare for college admissions exams and access financial aid information. I Have A Plan Iowa® is provided for free to all Iowans by the Iowa College Student Aid Commission (Iowa College Aid).

The Advantages of Early Career Planning

Early career planning helps your child make good decisions as he or she progresses through elementary and secondary school. Participation in career exploration helps create awareness of the many career options available and the steps needed to reach career goals.

A lack of career focus can cause students to drop out of college or change majors multiple times, resulting in more time and money spent.

Career planning is a continual process. Your child's career plan may change as he or she gathers more information along the way. The plan helps to guide the decision-making process.

I Have A Plan Iowa® Helps Your Child Prepare for High School, College and a Career

The tools provided in I Have A Plan Iowa® allow your student to:

- Develop decision-making skills
- Understand how career planning can help achieve goals
- Expand his or her knowledge of how educational achievement relates to career opportunities
- Learn how individual interests, values and skills connect to careers
- Research careers and educational institutions
- Increase motivation to improve academic achievement
- Prepare for college admission exams

Iowa Guideways - What's Required?

Iowa Code requires that all students, beginning in the 8th grade, create a student curriculum plan for high school which supports their career options and education plans. Each child must share the plan with a parent or guardian. As a parent, you will review your child's plan and approve it.

Every year your child will complete the grade-specific Guideway in I Have A Plan Iowa®. Each Guideway leads the student through the steps necessary to fulfill the State of Iowa requirements, building a solid plan for the future.

Attention Parents of 8th Graders!
Approving an 8th Grade Plan of Study

Your child will most likely complete the 8th Grade Guideway and create a student curriculum plan, which requires parental approval. He or she may bring a paper copy of his or her student curriculum plan home for you to sign, or invite you to view and approve it electronically. If your child chooses to invite you to approve his or her student curriculum plan electronically, you will receive an email invitation from support@secure.ihaveaplaniowa.gov. The email will include directions for account creation and plan approval. Additional information can be found on the “Parent of a Student” page at www.IHaveAPlanIowa.gov.
